G.V. Shivaji, learned Counsel *for the Petitioner*.

ORDER

Ravi Nath Tilhari, J. - Heard Sri G.V.Shivaji, learned counsel for the petitioner and learned Government Pleader for Commercial Taxes for the respondents and perused the record.

2. This writ petition under Article 226 of Constitution of India has been filed for the following relief:

"pleased to issue a writ order or direction more particularly one in the nature of writ of Mandamus declaring the impugned action of the 4th respondent in issuing impugned proceedings Ref No ZA3707230111991, dt:07-7-2023, cancelling petitioners GST registration No. 37BBNPG6135R3ZV and further order issued by the 5th respondent rejecting application for revocation of cancellation *vide* impugned proceedings Ref.No. ZA371023004149Z dt:04-10-2023 by declaring them as illegal arbitrary

and violative of Article 14 of the Constitution of India apart from contrary to the provisions of GST Act and Rules made there under and also in violation of principles of natural justice consequently *set aside* the same and pass"

3. Learned counsel for the petitioner submits that respondent No. 4 has cancelled the GST registration and further respondent No. 5 has also rejected the petitioner's application for revocation of cancellation *vide* order Ref.No.ZA371023004149Z, dated 4-10-2023.

4. The petitioner was issued a show-cause notice dated 26-6-2023. The order of cancellation was passed on 7-7-2023, mentioning that the petitioner did not submit a reply to the show-cause notice.

5. Learned counsel for the petitioner submits that the petitioner submitted a reply on 7-7-2023 itself, *i.e.*, date of the order of cancellation. He however submits that the reply was not filed within the time granted in the show cause notice.

6. For revocation of order dated 7-7-2023, the petitioner filed an application, upon which the notice dated 4-8-2023 was issued, mentioning that the application for revocation was liable to be rejected for the reasons disclosed that "according to the field visit report it is a residential house and there is no business running".

7. The petitioner submitted a reply dated 4-9-2023, interalia submitting that the petitioner took registration on his residential address and he is doing business at the registered address and due to change of mobile number given at the time of registration which was not working, the communication could not be made. It is further submitted that there are photographs to show that the business is being run at the registered address.

8. The application for revocation has been rejected by an order dated 4-10-2023, after examining the petitioner's reply on the ground that according to the field visit report it is a residential house and there is no business running.

9. Learned counsel for the petitioner submits that the petitioner is running business at the registered address but the petitioner's reply was not considered in proper perspective.

10. Objection is raised by learned Government Pleader for the respondents that the petitioner has got the statutory remedy to file appeal under the Goods and Services Tax Acts (for short 'GST Act').

11. He submits that the physical verification/field visit was made on 26-6-2023 and as per the field visit report, there was no business running in the mentioned address. Subsequently, based on the said report, after affording opportunity of hearing to the petitioner, the order of cancellation of the GST registration and thereafter the order rejecting the application for revocation was passed by Deputy Assistant Commissioner.

12. From the aforesaid, it is admitted by the petitioner that he got the registration on his residential address for the business.

13. The fact of physical verification finds mention in para-3 of the petitioner's affidavit in support of the writ petition in which it is interalia submitted that "the petitioner sent an explanation in writing on 6-7-2023, explaining that on 26-6-2023, he received a call from a person introducing himself as officer authorized for physical verification of business and existence of the taxpayer, but the petitioner was out of station at that time and no one was there at the place of business and consequently no one can be present at the time of inspection".

14. Further, the petitioner in his application for revocation interalia mentioned as follows:-

"I accept that I took registration is taken on my residence address and Business is running as Bill to Ship to Model. Sometime the entire consignment is transferred to customer resultantly no will remains at business place".

In the said application, the petitioner further submitted as follows:

"I hereby promise you that I was not involved in any GST evasion transactions intentionally and knowingly. I accept that there was a procedural mistake on part of me for not updating changing of my business structure. If I found so I will take the responsibility of reversal/paying all the GST Dues without fail."

15. The question if the petitioner was carrying on his business at the registered address or not at the relevant point of time, is a question of fact. The finding recorded in the order of cancellation of GST registration and in

the order rejecting the application for revocation, that the petitioner was not running business at the registered address is a finding of fact, which *prima facie* is based on some material in the form of the field inspection report.

16. If the petitioner's case is contrary, that the business was being run at the registered address and if the petitioner has evidence to prove that, as submitted by the learned counsel for the petitioner, the appropriate forum to reappraise the evidence to determine finding of fact, is not in the writ petition under Article 226 of the Constitution of India.

17. Undisputedly, the petitioner has got the statutory alternative remedy of appeal. If the petitioner so chooses or advised, the remedy of appeal may be availed as per the law.

18. We are not inclined to entertain the writ petition.

19. The Writ Petition is dismissed. No order as to costs.

As a sequel thereto, miscellaneous petitions, if any pending, shall also stand closed.
